## **The Exceller Fund Receives \$3,000 Grant from Thoroughbred Charities of America**

Lexington, KY – The Exceller Fund (TEF) recently announced that Thoroughbred Charities of America (TCA) has awarded a grant of \$3,000 to the organization dedicated to the dignified retirement of off the track Thoroughbreds.

“TCA has always been very supportive of our program and we greatly appreciate their dedication to off the track Thoroughbreds,” said Nicole Smith, Volunteer Executive Director of The Exceller Fund.

TEF is a nationwide program with over fifty horses currently in its care. Horses range from young adoption prospects to geriatric retirees. The organization launched its Racing Warrior Campaign in 2011 which focuses on Thoroughbreds that have spent years on the track and have fifty or more starts.
